

28th June 2019

Dear Parents and Carers,

We've had a very busy week in school with trips and events.

International Day

We had an amazing celebration of our school's diversity and culture! The children and parents loved sharing the food that our parents and staff contributed to our cultural buffet. Thank you again to everyone who took part, especially those who cooked and helped in the clean up!

Junior Citizen

This week Y6 had the exciting opportunity to take part in a series of junior citizenship workshops where they learnt how to stay safe. The Police, Fire Brigade and Arsenal coaches took them through some important scenarios in an interactive and fun packed afternoon.

Year 5 Trip to the National History Museum

On Tuesday, Year 5 went on a trip to the Natural History Museum to enjoy the Mission to Mars experience. The children had to build Lego Mars Rovers that could navigate the rocky Martian terrain. They learnt how to code a robot and had to consider some of challenges faced by the team that landed the first Rover on Mars.

Nursery Assembly/ Graduation

Well done to our lovely Nursery on their wonderful assembly, sharing all of the wonder things they have been learning about this term, in particular paying close attention to Mary, Mother of God. Congratulations to the Nursery children that are leaving Nursery and graduating into Reception.

Year 2 assembly will take place on Thursday 4th at 9:30am
