

7<sup>th</sup> February 2020

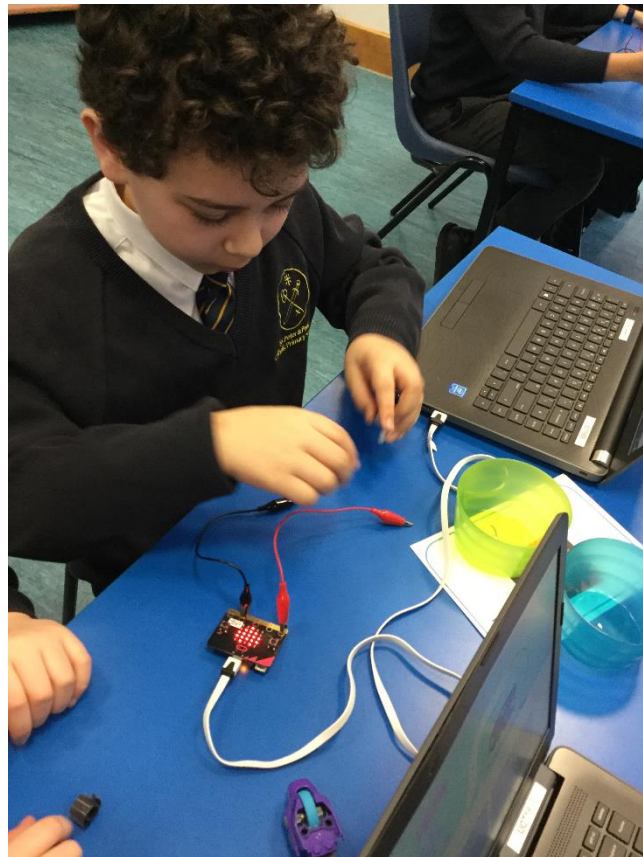

Dear Parents and Carers,

### **School Mass**

We had a beautiful school mass on Monday morning at St Peter and St Paul Church. We celebrated the feast of the Presentation of Christ also known as Candlemas. Fr Ivano blessed candles for us to take back to school and place on our prayer tables in the classrooms.

### **Internet Safety Day**

On Wednesday, we celebrated Safer Internet Day. We designed our own posers for a special competition showing ways we are #Freetobeme online. We also took part in a fantastic workshop in KS2 measuring water levels using Micro:bits. We had to code a small computer to light up when the water hit a certain level. We talked about Global Goals and how tech can be used to help us. In KS1 we enjoyed using Busy Things to enhance our learning, don't forget you can use Busy Things at home too.

### **Class Assembly**

Well done to Year 5 for their Inspiring assembly today. The class explored the different people in their lives that inspire them and considered the reasons why they are inspired by them.

Year 4 Class assembly will take place on **Thursday** the 13<sup>th</sup> at 9:30am

### **School Nurse**

Our school nurse visited us on Thursday the 6<sup>th</sup> February, to meet with parents who made referrals through the school.

The next visit to the school from the School Nurse will take place on:

- 26<sup>th</sup> March 2020
- 21<sup>st</sup> May 2020

School will be closed on Friday 14<sup>th</sup> of February 2020 for children.
