

8th March 2019

Dear Parents and Carers,

Another busy week at St Peter and St Paul. We had pancakes on Tuesday followed by our Junior classes attending Mass at the Italian Church on Wednesday to receive their ashes and Father Ivano distributed ashes for EYFS and Key Stage 1 at our Lenten Ash Wednesday Liturgy.

Assembly

Year 2 shared a beautiful assembly with us this morning reminding us how God is with us during our Lenten journey to support us and give us the strength we need to continue. Well done for the beautiful singing and lines from memory.

Nursery Assembly will take place at 9:30 on Friday the 15th March 2019

World Book Day

We had a wide array of amazing costumes yesterday, and were so impressed with the levels of effort many of our children went to! Prizes were given out for the best costume/ book character for each class.

Nursery: Meadow as Little Red Riding Hood

Reception: Alex as Super Potato

Year 1: Hugo as Paddington

Year 2: Ella as Mathilda

Year 3: Jakub as a Grandfather Clock from Hickory Dickory Dock

Year 4: Zabella as Amelia Fang

Year 5: Scarlett as the Mad Hatter

Year 6: Delina as Lorelli from The Thornwaite Inheritance

Healthy Snacks

Please ensure that your child brings in a healthy snack if they bringing food into school for clubs and fruit only for break. We are a Nut Free school therefore no child should be bringing nuts of any kind in the building. Please check all cereal bars before sending them in for lunches. It could be a matter of life and death.

International Women's Day

Today is international Women's day. As we have had such a busy week with the beginning of Lent and World Book Day, we will be celebrating the success of women in our society a little later in the month.

Lenten Boxes

On Wednesday, we sent home the Lenten Boxes from the Catholic Children's Society. Please give generously to this very worthy cause that benefits children who are in need both near and far.

PE Kit

Unfortunately some of our children continue to wear whatever PE clothes they wish, disregarding our school uniform. For this reason, I am giving children until the 15th March to correct this or we will return to our old system of bringing PE clothes in and changing in school.

School Coats

Children must wear a black or navy coat to school. This is part of the school uniform.

Early Drop Off

Children must not be left unattended or left at the door with other members of staff entering the building. Children must be handed over directly to either Miss Feeny or Miss Sharp.

Social Media

Please be reminded that social media/ WhatsApp are not platforms to complain about staff, parents or children. If you have concerns regarding any of the previously stated matters, please speak to a member of staff.

Wednesday Word

“Lent is a powerful season, a turning point that can foster change in each of us. Let us deny ourselves something every day to help others.” Pope Francis

Have lovely weekend

Miss T Peters
