10th January 2020

Dear Parents and Carers,

Welcome back to the start of a new school year. I hope you all had a restful break and are ready for the term ahead. We have hit the ground running this week with our Year 4 starting their swimming lessons and two trips.

LSO Year 5

Year 5 class attended St Luke's Music Education Centre today for a concert by LSO musicians to hear pieces from across the history of music. The concert included a selection of music by composers including Schnittke, Stravinsky, Shostakovich and Bach, performed on violin and piano. Today's tickets were provided by Islington's 11 x 11 cultural experience scheme. The children had an excellent trip with excellent behaviour and really enjoyed the performances.

Year 2 Museum of London

Year 2 went off to the Museum of London today to study all about the Great Fire of London. During their time there, they saw exhibitions and took part in workshops all to do with the Great Fire of London. A fantastic day of learning to put to good use in their History for this half term.

Walking to school

Year 6 children are not permitted to walk to school alone. Due to the nature of the area of which our school is situated with significant levels of reported crime (especially during the dark mornings), children must be accompanied to and from school by a responsible adult. Parents and carers of

Year 6 children will be informed when they are permitted to start walking to school by themselves. This is usually during the summer term when the hours of daylight are much longer.

Year 6 School Journey

A letter regarding Year 6 school journey will be sent out next week. Parents and Carers will be able to make payments towards the cost of the school journey after the letter has been sent out.
