Dear Parents and Carers,

### **#HelloYellow**

Well done to everyone who managed to raise awareness and funds for mental health particularly for children with mental health issues. Total to follow.

### **Year 4 Assembly**

Well done to Year 4, for the informative assembly that helped us get to grips with the stories of the Bible.

Next week, there will be no class assembly as there are Black History month workshops taking place.

### **Year 5 Trip to the Library**

Year 5 took part in an immersive story telling session demonstrating life on the Empire Windrush and the conflicting life in London after. This was followed by activities to referring back to the important message we need to remember especially during black history month that we are all unique and we should celebrate our individuality.

### **Theatre Workshop**

This week an alien hatched in our school and spent the day working with year one. The children taught Nanoo about life on Earth before helping her to escape capture. They also learnt to speak some words in Nanoo's language. They received an email today confirming Nanoo's safe return to her home planet.

This was a very exciting workshop provided by provided by KIT Theatre, and linked to their Power of Reading text in English, Beegu.
