Friday 19th June 2020

Dear Parents and Carers,

We have had another very successful week in school with many more Nursery children joining us this week.

The children are being so conscientious with social distancing and I have to say, they are very impressive.

As we move into hotter weather, please ensure children come to school with sun cream on, with a bottle of water, hat and if possible a summer uniform.

Books for Home Learning

Classes who have not been invited back i.e. Year 2,3,4 and 5, have been offered additional resources for Maths and English.

A classlist message of when to collect was sent out, but if you were not able to do that, please contact us a head of time and we will ensure your child's books are ready for collection on the day you are available to collect.

Monday 22nd: Year 4

Tuesday 23rd: Year 5

Summer Holiday Closure

Islington have informed us this week, that schools will not be opening during the summer holiday for any function other than those they would usually do to prepare for the new academic year.

In the next few weeks, we will be hearing about clubs and child care providers that your child will be able to attend. When we get this information, we will share it with you.

Islington are currently looking at the plan for September so schools can accommodate everyone.

“Let us learn to face moments of difficulty with courage, certain that Jesus never fails to give his support.” Pope Francis

Have a good weekend

Yours Sincerely

Miss T Peters
