Friday 1st May

Dear Parents and Carers,

We hope this newsletter finds you and your families safe and well during lockdown.

**Month of the Rosary**

Today marks the beginning of May and the month of the Rosary. During this time of lockdown, you may wish to pray the Rosary with the family.

There is a picture attached that may help you with this.

**Google Classroom**

Teachers are setting daily work through the google classroom and many parents have been in touch this week to get their logins. If you cannot get on to it, please email and ask for support. If necessary, we can call and talk you through it to help get your children online.

**Key Workers**

Any Key Workers that need child care during lockdown, please do not hesitate to contact us through parent support. Parent support is checked regularly throughout the day, everyday of the week.

**Support**

If anyone needs our help and support during this time, do not hesitate to contact us. We are available to do what we can to support our children and families. If you need any support, please email parent support and we will endeavour to do what we can.

If you are aware of any of our families who you think may be in difficulties or struggling, please bring it to our attention. We will treat it in the strictest of confidence and will do our best to help.

“To follow Jesus means to share his merciful love for every human being.”

Pope Francis

Have a lovely weekend
