Dear Parents and Carers,

We have had a fantastic first week back and the children have been superb. Today was much better for collection, with the majority of people maintaining social distancing. We hope that this continues.

Thank you so much to everyone for their patience, understanding and positivity. Reopening the school was always going to have its challenges but having such supportive parents behind us made it so much easier.

The emphasis this week has been placed on ensuring children are happy and confident to return to school after such a long period off. Teachers are slowly increasing the work load for their classes and next week will begin informal assessments of their attainment.

Chromebooks

During Lockdown the school loaned many of the children's Chromebooks to families. Please ensure you have returned your Chromebook to the school office on Monday. This is directly affecting the children's learning in school.

We look forward to welcoming our EYFS (Nursery and Reception) back to school on Monday.

"Let us all become people of reconciliation and peace!"

Pope Francis

Have a good weekend

Yours Sincerely

Miss T Peters
