Head Teacher: Miss T M Peters

Friday 18th September 2020

Dear Parents and Carers,

We have had another successful week at school with a much smoother start to the school day and collection time. Thank you to everyone for working so well with us to achieve this.

Reminder

Please remember: you cannot bring items to the school office for your child when the school day has started. If your child has forgotten their pencil case etc. they can use school equipment for that day. The same applies to fruit snacks. Last week, we had over 70 visits to the school office which we must avoid to reduce exposure for the office staff where possible.

Unfortunately, due to the number of children using bikes and scooters, we only have space to store scooters. If your child wants to come to school on a bike, you will have to bring it home with you after drop off. Please also ensure your child wears a helmet.

Digital Homework

Last week, we began our new digital approach to homework. Congratulations to those of you who completed this successfully. All class teachers were very impressed.

Some parents have said they would like their child to do some written practice at home. There is no problem with this. We suggest getting a small lined book for your child to do any additional writing practice at home in.

If any parent is still struggling to access the google classroom, please contact the school office and we will do our best to connect you to your child's google classroom page.

Year 6 Secondary School Applications

Parents and carers of Year 6 children who need guidance or advice on secondary schools, please contact us via parentsupport and either myself or Miss McGuinness will be in touch with you as soon as possible.

“May we learn to be generous in giving; to love without limits.”

Pope Francis

Kind regards

Miss T Peters

Miss C McGuinness
