Dear Parents and Carers,

We have had another successful week, closely following the Government guidelines.

We have re-evaluated our practice in line with recommendations as they are released. We ask that you are even more mindful at pick up and drop off times.

From Monday, staff members will be wearing face coverings when they are greeting the children, however they will not necessarily wear them during the school day unless they feel they must for health reasons.

We recommend that parents and carers also wear masks at pick up and drop off as we appreciate you are seeing each other on a regular basis and it can be difficult to avoid the catch ups and conversations.

Please continue to encourage your child to wash their hands regularly for the stipulated 20 seconds.

### **Chromebooks**

We are still missing six Chromebook chargers. We ask that you please check if you have one at home by accident.

### **Pack lunches and Snacks**

Children must not bring any form of nut based products into the school building. We have staff and children with severe allergies and even the smell can trigger significant reactions.

Children must be on packed lunches for a full term at a time, and must inform the school office of this at the beginning of the term. Children may not pick and choose the days they have school dinners as this has a significant impact on the food orders for the catering staff, creating surplus and shortages.

Children on packed lunches must bring a healthy packed lunch e.g. a sandwich, pasta, piece of cheese, fruit and a yogurt. No chocolate, biscuits or crisps. Vegetable crisps are an exception. Please only provide water to drink.

**After School Club and Early Drop Off**

If you would like to send your child to either of these services, please fill in the surveys sent out on Classlist to register your interest. We cannot organise these provisions until we know the full numbers. These services must be booked and organised in advance due to COVID-19 pod restrictions.
