14<sup>th</sup> May 2021

Dear Parents and Carers,

### **The Ascension**

Yesterday, 13<sup>th</sup> May 2021 was the Ascension of the Lord. The Feast of the Ascension of Jesus Christ, commemorates the moment Jesus ascended into heaven. On this day we commemorate the moment Jesus ascended into heaven 40 days after Easter to sit at his Father's right hand.

### **Mental Health Week**

This week the nation has celebrated Mental Health Week. This has been a very difficult year for many people in many different ways. This weekend, we ask for each of you to do something for your mental health. Make some time for yourself this weekend to reconnect with yourself through nature. You might make time to take a walk or exercise, to reconnect with someone or even pray outside in the open. Your mental health is paramount and we are here to support anyone who needs us. Nothing is too small or insignificant, if it is worrying you.

### **Year 6 RSE**

This week, our Year 6s had visitors from NCDP (National Cycle Development Programme) through Islington Authority to explore Puberty, Hygiene and everything in between. The Year 6s found this very informative. Thank you to Alisha and Lorraine for a very beneficial visit.

### **Attendance and Punctuality**

Letters regarding attendance and punctuality will be sent out to families of children with low attendance and poor punctuality.

### **Dramatic Dreams**

Year 6 had their initial rehearsals with Dramatic Dreams ahead of their end of Year production. We are very excited to find out what parts everyone got.

### **After School Club**

Parents MUST book children into After School Club by 12:00noon the Friday before the week begins. This week, many children have been booked on during the week and there has not been enough food or snack time. Moving forward, parents will be unable to book children in at the last minute.

### **Praying for Peace**

This week we have seen shocking images from the Holy Lands. Please keep Pope Francis' thought for this week in your prayers as you prayer for those affected.

“Above all, let us take care of people in need. Let us care for one another.”

Have a lovely weekend
